The screenshot shows a web browser window with the URL www.cyprusalive.com/en/main-town/ayia-napa/sub-cat/where-to-eat. The website header includes navigation menus for 'ABOUT CYPRUS', 'THINGS TO DO', 'DESTINATIONS', and 'PHOTO GALLERY'. A large banner image features roasted meats and vegetables with the text 'Ayia Napa's establishments ...with an abundance of tantalising flavours!'. Below the banner is a navigation bar with links: 'AYIA NAPA', 'Sightseeing', 'What to do', 'Where to eat', 'Where to drink', 'Where to shop', 'Where to stay', 'Other services', 'History', and 'Useful information'. The main content area is titled 'Ocean Basket' and describes it as 'The most popular seafood and sushi restaurant on the island!'. It mentions that it is a South African franchise offering quality food at reasonable prices in a pleasant atmosphere. A quote states: 'You will be charmed by the friendliest of staff and amazed with the variety of seafood & sushi platters offered at exceptional prices along with wines, cocktails and desserts.' Another quote says: 'Ocean Basket is for all the family! Drop in and have a whale of a time!'. To the right of the text is an image of a seafood platter with sushi, tempura, and other dishes. At the bottom of the content area are icons for location, globe, Facebook, Twitter, Email, Phone, and RSS.
